(Under the aegis of Swami Ram Tirtha Memorial Society (Reg) Pb.)

For New Admissions- Nursery, LKG and UKG

New Session begins on 4th April, 2022 (Monday)

Dear Parents,

Welcome to Swami Ram Tirtha Smart School fraternity. The first day of school is a big event in the life of the child. At Swami Ram Tirtha Smart School, we know how important it is for every student to get on to a good start. Our staff is dedicated to make this happen.

Success at school begins at home. You are the first and the most important teacher your child will ever have. As a parent, you can help stimulate your child's enthusiasm for learning by :

- + Talking and reading to your child, develops good language skills.
- + Playing with your child and encouraging friendship, promotes social development and a sense of well being.
- + Giving your child quality time by answering his/her innocent questions.
- + Helping your child become independent; means giving him/her opportunity to dress, take care of belongings, know his / her first and last name, attend to own toilet needs and ask for help when needed.

How to help your child:

- + Make sure your child gets plenty of sleep.
- + Providing a good breakfast.
- + Waking up your child early, giving him/her ample time to bathe so as to enable him/her to be fresh and alert in school.
- + See that your child arrives at school on time, but not too early as there is no proper supervision before the speculated time.
- + Talk to your child more about the school to make him/her comfortable and familiar with the word 'school'.
