

ANNUAL REPORT 2021-2022

Under the dynamic, motivating and proactive leadership of President Mr Rakesh Sharma, Director Mrs Sujata Sharma, Principal Ms Rajni Kapila and teachers, Swami Ram Tirtha Smart school phase IV Mohali aims to educate students to highest level of academic achievements and enables them to reach and expand their potential.

This academic year 2021-22 was no less than a challenge where the classes were being conducted both online as well as off-line. The team of efficient teachers continued their good work with full dedication. Mid of the year saw the pandemic subsiding and education system coming to normally. For a few months the classes were conducted both online and off-line for the students simultaneously.

This year has been a very eventful one and we have been successful in most of our endeavours.

When the school opened physically, all precautions of sanitization, wearing a mask, thermal checking and social distancing was maintained. The school supported the nationwide vaccination drive and organized a vaccination camp for the students fall in the bracket of age group 12 to 14 years.

As a regular practice followed every year, the session began with orientation programme for the parents to make them aware of scheme of education we impart here at our school.

The activities throughout the session were conducted at class level, school level, inter-house and inter-school level. Some of the events were English and Hindi declamation, poem recitation, GK quiz, Science quiz, Math quiz, Poster making competition, inter-house football and cricket matches.

Remedial teaching, extra classes, revision, class tests, unit tests project works and examinations kept the students engaged throughout the session as academic excellence is given the top priority at Swami Ram Tirtha smart school. The school feels immensely proud of its students for giving excellent and 100% result in Class X and Class XII CBSE board exams session 2021-2022. More than 25% students scored above 90% marks.

The school has green look with a lot of plantation around and encourages students to planting more trees through activities such as Van Mahotsav celebration.

The training, seminars and orientation were conducted for teachers for upliftment of their skills. Our three teachers have completed the school Innovation Training Programming launched by union Ministry of education and they have received their certificates as innovation ambassadors.

As lead collaborator school of Hub of Learning, the school extends handholding support to all the hub members.

On concluding this report, the school takes this opportunity to thank the students, parents and staff for the whole hearted support and cooperation.
